

# RECHENRÄTSEL

$$17 + 23 = 40$$

$$40 - 15 = 25$$

$$40 - 25 = 15$$

$$25 + 15 + 40 = 80$$

$$80 : 40 + 25 = 27$$

(Punkt- vor Strichrechnung)

$$27 + 80 + 40 = 147$$
